Please complete the following profile questions:

1. What is your company's brand promise, vision or statement of values, and how does it relate to sustainability?
2. How are your products or services environmentally and socially sustainable?
3. How do your suppliers create positive social and environmental benefits either through their products or through their community partnerships? (I.E. Why did you choose them as partners for your sustainable business?)

Some examples of how your suppliers demonstrate responsible business practices might include:

- What products are made of
- How they are produced
- Where they are produced
- How they are transported
- How they will be disposed of
- Pay employees a living wage
- Give percentage of profits to charitable organizations

4. How does your business minimize the environmental impact of its operations through some or all of the following activities?

- Waste reduction
- Recycling
- Energy efficiency
- Water efficiency
- Paper products and administrative supplies
- Building supplies
- Hazardous materials and cleaning products
- Transportation and staff commuting

5. How does your business demonstrate ethical business conduct? For example:

- Board governance
- Reporting hotline
- Policy
- Third party accounting procedures

6. What strategic community partnerships or affiliations does your company have in place? For example:

- Internships & student programs
- Memberships in Green Calgary, Chamber of Commerce, NPOs, Business Revitalization Zones (BRZ), Forest Stewardship Council, etc.

7. What policy or guidelines exist to support charitable contributions? Or, if no formal policy is in place, what organizations have you previously supported?

8. How many people do you employ locally?

9. In what ways does your business demonstrate its commitment to employee health and safety? For example:

- Training programs
- Internal communications
- Awareness and measurement of accident-free days

10. In what ways does your business demonstrate its commitment to employee development and job satisfaction? For example:

- Education reimbursement
- Professional development opportunities
- Mentorship programs
- Benefit package
- Telecommuting

11. How does your business support employees to lead balanced lives and be active participants in their communities? For example:

- Employee volunteer days
- Corporate challenge
- Ability to bring child to workplace
- Telecommuting
